RAMESH K

Software Engineer | Java, Spring Boot, React.js, REST APIs

7672047816 | ballariramesh0825@gmail.com | linkedin.com/in/ramesh-k-71243026a | github.com/Ramesh2200 | rameshwork.online

PROFESSIONAL SUMMARY

Computer Science Engineering graduate with strong expertise in Java, Spring Boot, React.js, REST APIs, JDBC, Hibernate, and MySQL. Proficient in developing scalable, responsive, and maintainable web applications using modern frontend and backend technologies. Strong understanding of Object-Oriented Programming, MVC Architecture, database design, CRUD operations, and API integration. Skilled in writing clean and efficient code with a focus on performance, reliability, and user experience. A quick learner with strong problem-solving, analytical, teamwork, and software development skills, seeking opportunities to contribute to impactful technology solutions.

SKILLS

Programming: Java, Python
Cloud Computing: AWS Fundamentals, Cloud Computing Concepts, Virtualization
Backend: Java, Spring Boot, Hibernate, JDBC, Java Servlets, JSP, Microservices, Apache Tomcat
Database: MySQL, SQLite, PostgreSQL
Tools: Git, GitHub, VS Code, Eclipse IDE, Postman
Core: Object-Oriented Programming, MVC Architecture, RESTful APIs, DSA, Exception Handling, Collection Frameworks

PROJECTS

Smart Vehicle Parking Management System *Jul – Nov 2026*
HTML5, CSS3, JavaScript, React.js, Java, Spring Boot, RESTful APIs, MVC, SQL, JDBC
Project Live: https://smart-parking-system-murex.vercel.app/

- Engineered a full-stack smart parking management platform using React.js, Java, Spring Boot, Servlets, JSP, JDBC, and SQL, enabling automated parking-slot booking, vehicle entry/exit tracking, and centralized parking operations.
- Architected RESTful APIs and MVC-based services with SQL integration for user, vehicle, slot, booking, and transaction management, reducing manual administrative workflows.
- Developed responsive user and admin dashboards with secure authentication, real-time slot availability, automated fee calculation, and centralized management, improving parking accessibility and operational efficiency.

E-Commerce Website *Mar – Jun 2026*
HTML5, CSS3, JavaScript, React.js, Spring Boot, Hibernate, JDBC, MySQL
Project Live: https://ecommerce-gmail-auth.vercel.app/

- Engineered a full-stack E-Commerce platform using React.js, Spring Boot, Hibernate, REST APIs, and MySQL, implementing authentication, product discovery, cart management, checkout, and order placement workflows.
- Developed scalable RESTful services and relational database integration for users, products, categories, carts, orders, and order items, implementing robust CRUD operations.
- Enhanced the shopping experience through product search, filtering, responsive interfaces, and admin management, and successfully deployed the application on Vercel.

EXPERIENCE

Software Developer Intern / Besant Technologies *2026*
Java Full-Stack Development

- Applied Java, Spring Boot, React.js, REST APIs, JDBC, and MySQL to develop and integrate full-stack application components.
- Implemented MVC architecture, CRUD operations, database connectivity, and API integration while following modular and maintainable development practices.

ACHIEVEMENTS

- Developed and deployed multiple full-stack web applications using Java, Spring Boot, React.js, REST APIs, and relational databases.
- Demonstrated strong proficiency in full-stack development, database management, API development, and application architecture.
- Successfully developed and deployed full-stack web applications using Java, Spring Boot, React.js, REST APIs, Hibernate, JDBC, and MySQL, demonstrating strong end-to-end software development capabilities.

EDUCATION

B.E. in Computer Science & Engineering *2022 – 2026*
Yenepoya Institute of Technology, Mangalore, Karnataka **CGPA: 7.9**

PUC *2020 – 2022*
Bellary Independent PU College, Bellary, Karnataka **66%**

S.S.L.C *2016 – 2020*
Morarji Desai Residential School, Bellary, Karnataka **86%**

CERTIFICATION

- Java Full Stack Developer — Besant Technologies, Electronic City (July 2026)
